June 6, 2017

The Congregation of FIPC extends its congratulations to Wes for his accomplishments and its appreciation for his military service.

### CHILDREN'S CHURCH LEADERS

**We are in need of Children's Church Leaders!** We are building our book library and curriculum for Children's Church. The lesson consists of a reading the children a book, tied to scripture. A very simple and enjoyable way to teach our children, with minimal preparation required. Children's Church is for those children in 1st grade or younger, and is the time immediately following the Time for Children during worship. The CC Leader takes the children to the Children's Church room (next to the nurseries) for their

own short worship during the sermon. The children's worship is usually around a 15-20 minutes. The Leader then brings the children back into the sanctuary to sit with their families for the rest of the service. There is a sign-up sheet on the Children's Division Bulletin Board, or please call/text/email Sommer Johnson to volunteer or with questions.
