

## Phase 2 Gathering for Worship:

At 10:00 am enter the CFC through the back door facing Railroad Street (near the church bus). Wear your mask and be prepared for a temperature check. Masks should be worn while in the building. Singing is not allowed at this time.

Socially distanced viewing of the on-line Worship service will be followed at 10:30 by Sunday School. There will be one class offered for adults and one for children. You will be directed to those class locations following the viewing of Worship.

The restrooms off of the large gym room (with multiple stalls) will be available for use. The restroom in the lobby area is not open at this time.
